Carole,

As discussed here are the initial R3 comments on the manuscript. Rick Rogers was hoping to add some additional comments but he is out of the office until next week. Additionally, Rick mentioned briefing R3 Water DD on this so hopefully that happened. Please keep us in the loop as this moves to OW etc. Thanks.

Dear OW and Carole,

# Ex. 5 Deliberative Process (DP)

R3 and R5 have reviewed the paper and are aware of the findings but it may be a good idea to send for final comments or at a minimum awareness.

Please send any comments by March 8.

Best regards  
Suzanne
